Our products are hand made to order. *We ship via ground services with deliveries to residences 3 - 5 days from leaving our orchard, depending on destination and weather conditions.* Gift cards (if applicable) and holly care instructions are included with each order. ***If you must send orders to a PO Box, or an address in Hawaii, Alaska or Canada, we add a \$30 surcharge and ship with USPS Priority Mail service.** We are unable to offer shipment tracking with USPS shipments, and they typically take longer to deliver, especially during the busy holiday season.
